

Our fees from 16th October 2022

FEE INFORMATION

Dear valued patients,

On 16th of October, 2022, there will be a slight increase to our patient fees. While we understand this may be upsetting for some patients, the fee increase is necessary in order for our clinic to meet the increasing costs to run our medical centre. We are committed to continue providing you with high quality care.

If you have a Medicare Card, Medicare will refund to you a proportion of your appointment fee (Medicare Rebate) and you will only be out of pocket the remaining amount.
