

When will the fee changes begin?

At SmartClinics Smithfield, our new fee structure will start on 1 of January 2023. Your appointment fee will depend on the type of appointment and how long it takes. If you have a Medicare Card, Medicare will refund to you a proportion of your appointment fee (Medicare Rebate) back into your bank account and you will only be out of pocket the remaining amount.

Private Patients:

Services	Consultation Fee	Medicare Refund	Out of pocket
Level B (Standard Consult)	\$85.00	\$39.75	\$45.25
Level C (Long Consult)	\$130.00	\$76.95	\$53.05
