

Our fees from 31st March 2025

Your appointment fee will depend on the type of appointment or service provided and how long it takes. If you have a Medicare Card, Medicare will refund you a proportion of your appointment fee (Medicare Rebate) and you will only be out of pocket the remaining amount.

Below is a list of routine services & fees, please note this list is not a comprehensive services & fees list.

Private fees apply for all procedures, including for children, please speak to your doctor before booking an appointment for a procedure.
